## Keep it Simple, Use Common Sense

By Bill Lane

## News from Chad

I hope everyone had a fabulous Thanksgiving! I don't think any of us have to look very far to find something that we are thankful for. In fact I think this is a great time to tell you how thankful we are to have you as our members and friends. We are also gearing up for Christmas. Please come by to see how beautiful the club house is decorated inside while enjoying your breakfast, lunch or Tuesday and Thursday evening for dinner. We would like to be one of the first to wish you a Merry Christmas and Happy New Year!

I am also excited to let you know that we are working on going paperless for your statements and Newsletter from Lane Tree Golf Club. We will also be using your e-mail and mobile phones to send you important information such as course closures due to club events, weather or any other information that will be time sensitive. I feel that it is imperative that we move forward with this to better serve you. In order to do this we will need to get all of your information updated in our system, so please take time to fill out the form and send it back with your dues or drop it off at the corporate office as soon as you can.

Also the GPS's in the carts have been removed due to problems that we were encountering. Since they were removed, Please don't forget that the carts must exit the fairways at the blue exit posts. This will help preserve the course for years to come to allow people to enjoy the course just like you do now. After deciding to remove the GPS's we will soon be selling Garmin products in the Pro Shop just in time for Christmas. If there is a Garmin product that you would like, please contact the Pro Shop.

## Eddie's Corner

Lane Tree had a delicious meal for Thanksgiving and we would like to thank all who came out and supported us.

Don't forget the deals in the Pro Shop. Now is the time to buy tees, balls and gloves. There is also a wide variety of women and men's apparel. On Tuesday December 10<sup>th</sup> they will have a "Second Chance Black Friday Sale" from 7:00am to 8:00pm.
